LET'S ACT ON CLIMATE - FAST!

ACTION ALERT - March 10, 2022

Day of Action for a Just Transition: Saturday, March 12

Hello Friends!

March 2022 finds us all carrying a lot in this tough year but I am writing with an invitation for a hopeful day of action on March 12 for a Just Transition—a day to rally for a green future that includes all Canadians!

The Just Transition Act, which Canada committed to introducing in 2019 but has not yet done, would support workers in carbon-dependent industries and other vulnerable sectors—and their families and communities—as they retrain and shift into other jobs and industries. For more information on the Just Transition and the Act, see: <https://www.rncanengagenrcan.ca/en/collections/just-transition>

On March 12, we will gather at the offices of the MPs listed below, in concert with Canadians at offices across the country. Our goal is to rally for bold and sweeping Just Transition legislation that will reimagine Canada for the future. This will be a fun and celebratory event for all ages! Our day of action will include:

- Fun: music (including live music performances), bubbles, sidewalk chalk to write down your vision of a future with a Just Transition!
- Engaging: selfie station, wheel of action game!
- Educational: insights booth, lots of folks to chat with to learn more about how important Just Transition is for the future of Canada!

It should be a great day with an important message. Please come out and help us shape and share our vision of the future...for all!

More information on the national event: <https://350.org/just-transition-day-of-action>
